

Cambridgeshire Beauty Academy

Russian Lashes Course

Duration: One day practical + case studies to show evidence of your skills

Price: £295 - **This price includes a starter kit**

Requirements: You must be qualified and confident in classic semi-permanent eyelash extensions to do this course. A photo/copy of your certificate needs to be sent when booking.

Russian Volume is an advanced lashing technique that allows you to create fuller sets of eyelash extensions, without the damage. This technique is becoming better known amongst clients and is becoming an essential skill to keep up-to-date in the lash world.

What Will I Learn?

What is Russian Volume?

Contraindications

Carrying out a consultation

In-depth knowledge on how our lash adhesive works

Different tools

What lashes to use (lengths, curls & thickness)

Styling- How your fans should look, including the difference between wide and narrow fans.

Fan making techniques

Problem solving

What Is Included?

Your training manual, this is great to refer back to after your course.

A kit including the following products: 3 x trays Lash Base volume lashes

2 x pair's volume tweezers Extreme Plus glue

Micro foam tape Lash brushes Cleansing brushes

Lash cleansing sachets FFP3 masks

Make-up sponge

Ongoing support and feedback

Training Day

Your day runs from 9.30am-5pm and begins with the in-depth theory behind Russian Volume, before we move on to different techniques to make the all-important fan, including practising these techniques. After lunch we will work on a model to provide them with a set of Russian Volume lashes.

How Will I Be Assessed?

Assessment is done via case studies after your course. Three successfully passed case studies are required to qualify. Upon passing you will be posted your certificate and you will be able to obtain insurance!
